

# Healing Together

**A group for teen sexual violence survivors  
and their supportive parents**

**Mondays from 6:00-7:15pm  
April 23 – May 21, 2018**

During this five-week support group teens will learn about sexual violence, healthy relationships, and coping skills to move forward in their healing.

Parents will learn about the impacts of trauma on their teens, how to support them, and how to cope with their own feelings.

Our aim is to provide participants with a sense of connection and empowerment.

*Groups are led by qualified and compassionate professionals trained to address issues of domestic and sexual violence.*
