

New Pathways

Tuesdays from 6pm – 7:15pm

April 17 – May 22, 2018

This is a 6-week support group for female survivors of childhood sexual abuse who have participated in Stepping Stones or are further along in their healing journey.

This group is a safe place with trusted group members; participants can both provide and receive support from others as they heal from childhood trauma.

Pre-registration for this support group is required, and interested members must meet with the group facilitator before the group begins.

Groups are led by qualified and compassionate professionals trained to address issues of domestic and sexual violence.
