

The Women's Center 2019 Donation Wish List

Consider hosting a donation drive! In-kind donations are a great way to support our agency and are items our clients need on a daily basis.

Due to storage restrictions, we are able to accept new/unopened items ONLY.

Donations of used items, such as clothing, toys, and housewares, may be directed to any Goodwill or to the Hope Center. *In turn, Goodwill and Hope Center provide vouchers for our clients to shop for their needs free of charge.*

Non-perishable food items are always needed to stock our food pantry and help provide meals for shelter residents. **Please check dates on food donations as we are only able to accept items before their expiration or sell-by dates.**

For the safety of our clients, we have specific guidelines regarding food preparation, so **prepared meals and baked goods will only be accepted if coordinated with us in advance.**

To learn our current needs, discuss donation of prepared foods, explore hosting a donation drive, or to arrange delivery of in-kind items, please call Riley at 262.522.3813.

Visit our Amazon Wish List, just search for our list by typing: "The Women's Center" and with one click you can purchase and send any of the items on our wish list directly to our offices.
