After 37 years, the impact The Women’s Center has on Southeast Wisconsin continues to be strong and growing. Our core programs, helping victims deal with the trauma of domestic violence and sexual abuse, form the backbone of our services to the community. These are complemented by providing counseling, transitional living, child care, a 24-Hour Hotline and other forms of safety, shelter and support. Any one client situation can quickly become very complex, requiring the skills and resources of counselors, financial advisors, clergy, social workers, lawyers and many others. The hallmark of The Women’s Center continues: providing our services at no cost to our clients.

Public awareness of The Women’s Center increased in 2014 thanks to increased media presence. There is a strong perception that we are a solid source of information and assistance for the issues we address and the communities we serve.

Our Violence Prevention Initiative is being well-received as our pilot program moves into area schools. This program is focused on reducing domestic violence and sexual assault by educating young people, notably grades 6, 7 and 8, about positive behaviors and staying safe. These efforts will continue to expand as we move beyond the pilot programs.

As funding from some traditional sources is cut or reduced, we continue to depend on generous contributions from individuals, foundations, corporations and proceeds from our special fundraising events. Once again, the Greater Milwaukee Foundation’s Match Day provided significant funding. All of this support is deeply appreciated.

I extend special recognition and thanks to The Women’s Center staff, board, volunteers and friends for their dedicated work and commitment in serving our clients. Their efforts add immeasurably to the clients’ outcomes as they start to take steps toward a better life.

Thank you for your support of The Women’s Center.

Allan Froehlich, Board President
Dear Friends,

I am proud to present to you this copy of The Women’s Center 2014 Annual Report which highlights yet another pivotal year for us. We focused our efforts on our core programs as well as capacity building to ensure our doors are open for every single individual who needs any one of our supportive services. Your gifts made it possible for us to provide an even higher level of crisis intervention and supportive services to women and children who have been hurt by domestic violence and/or sexual abuse.

Your gifts helped:

• The family who successfully fled their abuser, came into our shelter and not only survived but thrived.

• The child who smiled for the first time in a very long time because our children’s advocates made them feel safe, loved, happy.

• The survivor who obtained a job with livable wages that allowed her to move forward with economic self-sufficiency and a life free from violence.

• The caller to our Hotline speaking for the very first time about the abuse she’s suffered at the hand of someone who said they love her and being told by our shelter advocate, “You don’t deserve that,” helping her feel less alone.

• Survivors coming for support groups or individual counseling to work at reducing the traumatic effects of the violence they experienced.

• The 6th, 7th, and 8th graders who learned how to build and maintain a healthy relationship and to peacefully resolve conflict through our Violence Prevention Initiative.

We hope you find the information in this report useful and that you will continue to walk with us on this journey towards a violence-free, peaceful community. Your unwavering generosity is the vital fuel that keeps us moving forward! On behalf of the entire Women’s Center staff and board, I thank you for providing hope to those in need of our comprehensive, life-saving programs.

Peacefully,

Angela Mancuso, Executive Director
DOMESTIC VIOLENCE PROGRAMS AND SERVICES
The Women’s Center offers group and individual counseling to adult and child survivors of domestic violence. In 2014, 286 adults, 92 children and 42 parents of child witnesses of domestic violence received domestic violence counseling at The Women’s Center.

20,695 HOURS
182 INDIVIDUALS & 10 GROUPS PROVIDED 20,695 VOLUNTEER HOURS

EMERGENCY SHELTER
Our emergency shelter provides a safe and immediate refuge for women and their children fleeing their homes because of domestic abuse and sexual violence. In addition to receiving basic needs, shelter residents have access to our comprehensive services that promote healing and independence. In 2014, we provided 6,793 nights of care, 20,379 meals and 13,586 snacks to 281 women and children.

TRANSITIONAL LIVING
Emergency shelter provides immediate safety for the short-term but often is not enough time for women to become financially independent and locate permanent housing. Our Transitional Living program provides safe and affordable housing where survivors can live up to two years. In 2014, 33 women and 32 children participated in our Transitional Living program.

24-HOUR HOTLINE
Our confidential 24-Hour Hotline provides a direct link between people in crisis and The Women’s Center. The Hotline is staffed 24 hours a day, 365 days a year. In 2014, we answered 5,897 crisis calls.

THE HOTLINE IS STAFFED 24 | 7 | 365

LEGAL ADVOCACY
Our Legal Advocates staff offices at The Women’s Center and the Waukesha County Courthouse helping survivors of domestic abuse and sexual violence navigate the court system. We assist with obtaining restraining orders and provide advocacy and support throughout the entire court process. A total of 257 clients used these services in 2014.

EDUCATION AND PREVENTION
Our Violence Prevention Advocate provides education and prevention programming about domestic abuse and sexual violence to youth at local schools and other groups in Waukesha and surrounding counties. Education is provided through speaking engagements and training sessions. In 2014, this program reached 4,740 individuals.

TRANSITIONAL LIVING
Emergency shelter provides immediate safety for the short-term but often is not enough time for women to become financially independent and locate permanent housing. Our Transitional Living program provides safe and affordable housing where survivors can live up to two years. In 2014, 33 women and 32 children participated in our Transitional Living program.

EMPLOYMENT PROGRAM
The Employment Program prepares women for work, often after years of being barred from working outside the home. Clients identify their strengths and employment objectives, increase their job readiness skills through mock interviews, learn resume writing, and begin mentoring with professionals working in the business community. In 2014, we served 203 women.

SEXUAL ASSAULT AND ABUSE PROGRAMS
The Women’s Center offers counseling to adult and child survivors of sexual assault and sexual abuse through individual and group counseling. There were 87 adults, 26 children, and 180 parents of sexually abused children who received services through this program in 2014.

CHILD ABUSE PREVENTION SERVICES
This program is designed to reduce the likelihood of family violence, abuse and neglect by providing emergency respite and onsite childcare, crisis telephone counseling, individual and group family counseling and parenting classes. In 2014, 84 adults and 318 children used these services.

328 & 114 ADULTS & CHILDREN RECEIVED DOMESTIC VIOLENCE COUNSELING

VOLUNTEER INVOLVEMENT
Volunteers continue to play a vital role at The Women’s Center. In 2014, 182 individuals and 10 groups of volunteers made a difference at The Women’s Center.

PROGRAMS & SERVICES

Note: There may be some duplication in these numbers, as a client may have used more than one or all of The Women’s Center’s services and would, therefore, be recorded as receiving services in each program area. These numbers reflect the full range of services a client can access and demonstrate the true use of our services.

A LETTER FROM
THE TREASURER

The financial position of The Women’s Center remains healthy as confirmed by the 2014 audited balance sheet. 2014 performance reflects a minor 0.04% decrease in unrestricted net assets, which includes $87,352 of depreciation. Total 2014 revenues represent an 8% increase over total revenues reported in 2013, with total expenses only increasing by a modest 3%. The Women’s Center’s cash position continues to be strong and we own our buildings and other property. The Women’s Center has no significant outstanding debt.

The Women’s Center practices sound fiscal management. Budgets are carefully prepared and reviewed monthly by a Finance Committee and our Board. We take very seriously our obligation to our donors to use contributions wisely to support our mission of providing safety, shelter and support to women and their families. Donor support allows us to offer programs and services free of charge.

The valuable resources The Women’s Center provides in our communities will be maintained with strong individual and business support. There will always be financial challenges. Sustained and innovative fundraising efforts, diligent work in grant writing, success in special events and ongoing expense control will need to be maintained. Continued financial health allows us to provide our vital services to women and families in need of help and hope.

Derek Arnold, Treasurer

YEAR ENDING DECEMBER 31, 2014

APRIL
April is SEXUAL ASSAULT AWARENESS AND CHILD ABUSE PREVENTION MONTH. The Women’s Center provides information and conducts programs on these issues during the month. One in three American women will be sexually abused during their lifetime.

APRIL/MAY
Join us as we celebrate each anniversary of The Women’s Center at the ANNIVERSARY LUNCHEON. This event features an informative keynote speaker who addresses important societal issues affecting our communities locally to internationally.

JULY/AUGUST
Supporters of The Women’s Center enjoy delicious food, drinks and entertainment as they watch the sunset in the Lake Country area with friends at The Women’s Center’s SUMMER EVENING event.

SEPTEMBER/OCTOBER
Our FUTURES FREE FROM VIOLENCE event engages young professionals in our efforts to break the cycle of domestic and sexual violence. The event offers an opportunity for the next generation of leaders to partner with The Women’s Center to send the message that violence in our homes and communities should not be expected or tolerated.

OCTOBER
October is DOMESTIC VIOLENCE AWARENESS MONTH. The Women’s Center provides information and conducts programs during the month. One in four women will be affected by domestic violence in their lifetime.

NOVEMBER
Our FASHION SHOW involves collaboration with local clothiers to provide a unique fashion retrospective. Board members, staff and other friends of The Women’s Center are invited to be models. Come and see an interesting variety of fashion, and support The Women’s Center.

Every year The Women’s Center holds special events to raise awareness of our mission and critical dollars of support. Each event is different, but all provide information, enjoyment and an opportunity to network.

For dates and more information visit The Women’s Center website at www.TWCWAUKESHA.ORG.
THE MISSION OF THE WOMEN’S CENTER IS TO PROVIDE SAFETY, SHELTER, AND SUPPORT TO WOMEN AND THEIR FAMILIES, AND TO FACILITATE THEIR DEVELOPMENT.
