It has been a privilege and an honor to serve as President of the Board of Directors. Each year, we seem to find ourselves with one foot in the past and one foot in the future. 2013 was no exception for The Women's Center.

After 25 years as The Women's Center’s Executive Director, Marie Kingsbury expressed her desire to retire and find new challenges. How do we appropriately thank someone who has spent all of her professional life providing safety, shelter and support to women and children in peril? The Women’s Center owes much to Marie, not only for her guidance and leadership, but for growing us to a strong, viable and visible agency in the community. There are too many “firsts” under her direction to itemize. Suffice to say that naming the emergency shelter the Marie Kingsbury Domestic Violence Shelter was not only appropriate, but required. Her legacy will long be with us—right beside that of our founding mothers.

Sincere thanks to the Search Committee composed of board and community members along with Jamie Pratt, our consultant, for their dedication and focus in selecting the right person to lead us forward. Angela Mancuso joined The Women’s Center in November, bringing with her a strong background and experience in domestic violence and sexual assault and, most of all, a deep, abiding passion for our mission. We are excited and fortunate to have her lead us into the future.

Our economic situation is solid but always challenging. Government funding is regularly cut and foundations change focus. We must remain diligent and single-minded in supporting on-going and future financial requirements. In 2013, The Women’s Center provided free services to over 9,000 women and children, proving the need is great.

Thank you to the great number of corporations and donors who continue to recognize the work we do. The Greater Milwaukee’s Foundation’s Match Day remains a significant part of our fund raising efforts, introducing The Women’s Center to new donors.

And, last but foremost, my heartfelt gratitude and thanks to The Women’s Center staff, board, volunteers and friends for their dedicated work and commitment in serving our clients, aiding and supporting them as they find the courage and means to move forward with lives without violence and abuse. The hugs, passion, and caring of the staff is amazing to me. I was honored to be able to help.

Thank you for all you do to help provide healing.

Sharon Wood, Board President
Since I started at The Women's Center in November 2013, many people have asked what brought me here. Aside from the thirty-seven year legacy of helping thousands of women and their children live safe, violence-free lives with progressive and unique programming, here are just a few things that resonated with me:

- The legacy of Marie Kingsbury, a pioneer in the domestic violence, sexual assault movement. Marie worked tirelessly to ensure the families of Waukesha and surrounding communities who needed our services experienced the highest level of compassionate advocacy. She paved a path of progressive and collaborative programming and her passion for this work had enormous impact.

- The staff who commit daily to advocate for those we serve. They responded to 7,300 calls to our Hotline, provided hours of individual and group counseling to youth and adults, supported hundreds of women navigating the legal system, provided over 6500 nights of care in our shelter, provided employment counseling and job training, helped hundreds of children feel loved, supported and safe through our children's programming. It is impossible to articulate everything The Women's Center does for one woman, one child, and one family.

- The hundreds of truly dedicated volunteers who work alongside staff ensuring that every day for every client is brighter. Whether it is the Gentle Man volunteers who provide positive mentoring and role modeling for our children, the bakers who ensure every client has a birthday cake made for them, the special events volunteers who raise awareness and funds, or the many other community members who give of their time and talents. We are honored and humbled to have such caring and committed volunteers.

- The faithful and compassionate donors such as you! Your support of The Women's Center through activities such as Match Day, special events, and appeals truly impacts the life of another human being. I am personally encouraged by this outpouring of support for our mission, and I can assure our clients are encouraged as well.

Going forward, we will continue to focus on enhancing our core programming, responding to client needs, and increasing public awareness of our comprehensive services. No one suffering at the hands of an abuser should feel alone.

On behalf of the women, men and children we serve at The Women's Center, I thank you for embracing our mission, sharing our commitment, and making a difference through your steadfast and continued involvement.

Angela Mancuso, Executive Director
DOMESTIC VIOLENCE PROGRAMS AND SERVICES
The Women’s Center offers group and individual counseling to adult and child survivors of domestic violence. In 2013, 328 adults and 114 children and 45 parents of child witnesses of domestic violence received domestic violence counseling at The Women’s Center.

22,113 HOURS
126 INDIVIDUALS AND 17 GROUPS PROVIDED 22,113 VOLUNTEER HOURS

SISTER HOUSE SHELTER
Our emergency shelter provides a safe and immediate refuge for women and their children fleeing their homes because of domestic abuse and sexual violence. In addition to receiving basic needs, shelter residents have access to our comprehensive services that provide healing and independence, all of which are located downstairs from the shelter. In 2013, we provided 6,565 nights of care, 19,695 meals and 13,130 snacks to 301 women and children.

TRANSITIONAL LIVING PROGRAM
Emergency shelter provides immediate safety for the short-term but often is not enough time for women to become financially independent and locate permanent housing. Our Transitional Living program provides safe and affordable housing where survivors can live up to two years. In 2013, 56 women and 41 children participated in our Transitional Living program.

24-HOUR HOTLINE
Our confidential 24-hour Hotline provides a direct link between people in crisis and The Women’s Center. The Hotline is staffed 24 hours a day, 365 days a year. In 2013, we answered 7,344 crisis calls.

SEXUAL ASSAULT AND ABUSE PROGRAMS
The Women’s Center offers counseling to adult and child survivors of sexual assault and sexual abuse through individual and group counseling. There were 71 adults, 31 children, and 139 parents of sexually abused children who received services through this program in 2013.

CHILD ABUSE PREVENTION SERVICES
This program is designed to reduce the likelihood of family violence, abuse and neglect by providing emergency respite and onsite childcare, crisis telephone counseling, individual and group family counseling and parenting classes. In 2013, 133 adults and 334 children used these services.

LEGAL ADVOCACY PROJECT
Our Legal Advocates staff offices at The Women’s Center and the Waukesha County Courthouse helping survivors of domestic abuse and sexual violence navigate the court system. We assist with obtaining restraining orders and provide advocacy and support throughout the entire court process. A total of 255 clients used these services in 2013.

20% OF CLIENTS WHOSE ETHNICITY WAS KNOWN WERE HISPANIC.
SERVICES ARE OFFERED IN BOTH ENGLISH & SPANISH.

EDUCATION AND PREVENTION
Our Violence Prevention Advocate provides education and prevention programming about domestic abuse and sexual violence to youth at local schools and other groups in Waukesha and surrounding counties. Education is provided through speaking engagements and training sessions. The goal of this program is to create awareness and prevention, but also to provide an avenue for those who have been victimized to safely reach out for services. In 2013, this program reached 5,313 individuals.

EMPLOYMENT PROGRAM
The Employment Program prepares women for work, often after years of being barred from working outside the home. Clients identify their strengths and employment objectives, increase their job readiness skills through mock interviews, learn resume writing, and begin mentoring with professionals working in the business community. In 2013, we served 232 women.

VOLUNTEER INVOLVEMENT
Volunteers continue to play a vital role at The Women’s Center. In 2013, 126 individuals and 17 groups of volunteers made a difference at The Women’s Center.

328 ADULTS & 114 CHILDREN RECEIVED DOMESTIC VIOLENCE COUNSELING

There may be some duplication in these numbers, as a client may have used more than one or all of The Women’s Center’s services and would, therefore, be recorded as receiving services in each program area.

A LETTER FROM
THE TREASURER

The financial position of The Women’s Center is healthy as confirmed by a solid balance sheet. The financial position in 2013 reflected a 2% decrease in unrestricted net assets, this included $84,820 of depreciation. Total 2013 revenues were 4% greater than budgeted. Total expenses increased by a modest 1.5%. The Women’s Center’s cash position remains strong. We own our buildings and other property, and have no significant outstanding debt.

The Women’s Center practices sound fiscal management. Budgets are carefully prepared and reviewed monthly by a Finance committee and our Board. We take very seriously our obligation to donors to use your contributions wisely to support our mission of providing safety, shelter and support to women and their families. Donor support allows us to offer programs and services free of charge.

The valuable resource The Women’s Center provides in our communities will be maintained with strong individual and business support. There will always be financial challenges. Sustained and innovative fundraising efforts, diligent work in grant writing, success in special events and ongoing expense control will need to be maintained. Continued financial health allows us to provide our vital services to women and families in need of help and hope.

Robert DiDonato, Treasurer

< BMO Harris volunteers
Every year The Women’s Center holds special events to raise awareness of our mission and critical dollars of support. Each event is different, but all provide information, enjoyment and an opportunity to network. For dates and more information visit The Women’s Center website at www.twcwauskesha.org.

APRIL/MAY
Join us as we celebrate each anniversary of The Women’s Center at the Anniversary Luncheon. This is our largest event and features an informative keynote speaker who addresses important societal issues affecting our communities locally to internationally.

APRIL
April is Sexual Assault Awareness and Child Abuse Prevention Month. The Women’s Center provides information and conducts programs on these issues during the month. One in three American women will be sexually abused during their lifetime.

JULY/AUGUST
Supporters of The Women’s Center enjoy delicious food, drinks and entertainment as they watch the sunset in the Lake Country area with friends at The Women’s Center’s Summer Evening event.

SEPTEMBER/OCTOBER
Our Futures Free From Violence event engages young professionals in our efforts to break the cycle of domestic and sexual violence. The event offers an opportunity for the next generation of leaders to partner with The Women’s Center to send the message that violence in our homes and communities should not be expected or tolerated.

OCTOBER
October is Domestic Violence Awareness Month. The Women’s Center provides information and conducts programs during the month. One in four women will be affected by domestic violence in their lifetime.

NOVEMBER
Our Fashion Show involves collaboration with local clothiers to provide a unique fashion retrospective. Board members, staff and other friends of The Women’s Center are invited to be models. Come and see an interesting variety of fashion, and support The Women’s Center.
The mission of The Women’s Center is to provide safety, shelter, and support to women and their families, and to facilitate their development.
